INFORMATION:

Over the last few weeks, Deputies from the San Benito County Sheriff's Office received information regarding narcotics sales in the 1500 block of Nash Rd in San Benito County. After an investigation, Sergeant Lobdell was able to obtain probable cause for a search warrant of the residence, and property, of Alfredo VALENZUELA.

Based on information obtained, it was determined a S.W.A.T. Team was necessary for the entry onto the property. The San Benito County Sheriff's Office has an MOU with the Monterey County Sheriff's Office S.W.A.T. Team, and they responded to do a tactical entry onto the grounds and buildings. 11 adults were located and detained on the property without incident.

An end result to the search warrant located ammunition, a shotgun, and a quantity of methamphetamine that was packaged for sales.

VALENZUELA was arrested for possession of narcotics for sales, felon in possession of a firearm, felon in possession of ammunition, and maintaining a drug house.

LARSEN was arrested for possession of narcotics for sales, and maintaining a drug house.

Both were booked in to the San Benito County Jail. All others were interviewed and released at the scene.
